

The Gavalas-Kolanko Foundation (GKF) is a public charity established to help students with physical disabilities reach their secondary educational goals. The GKF awards scholarships to students with physical impairments (sight, hearing, movement).

To qualify for the scholarship, this form must be completed in detail, with all supporting documents indicated below, and returned to Dana Scarborough at the GKF no later than **June 30, 2011**. The scholarship can be renewed for up to a total of four years. The complete application is only required the first year the student applies for the scholarship. If the student wishes to have the scholarship renewed, current transcripts are required after each school year. The scholarship is not automatically renewed; the board must review current transcripts and decide if the student is eligible for renewal.

The recipient needs to be willing to serve as a representative of the Foundation and participate in GKF-related functions that occur during the scholarship year. This could include attending a Riverdogs baseball game on Disability Awareness Night (DAN), a cocktail party, or the James Island Connector Run (JICR). The JICR is the Foundation's largest fundraiser and is held on the first Saturday of every year on "Students with Disabilities Day," proclaimed by Mayor Joe Riley, Jr. This year's JICR is November 5, 2011.

The Foundation board will review the applications and then award 2011-2012 scholarships to the most qualified applicants.

**This application must be accompanied by the following:**

- a. Personal letter outlining your educational and vocational goals
- b. Complete, official transcript of your academic record
- c. Two letters of recommendation, one must be from a professor
- d. Picture of yourself
