## THE 3<sup>RD</sup> ANNUAL GKF GOLF TOURNAMENT

*presented by MassMutual South Carolina will be held on Monday, September 10, 2018. Registration will include full access to the Daniel Island Club facilities, boxed lunch, BBQ after party, beverages, and prizes.*

### ABOUT DANIEL ISLAND CLUB

As one of the top private golf clubs in Charleston, SC, the Daniel Island Club features the country's only private pairing of golf courses designed by Tom Fazio and Rees Jones playing out of the same clubhouse. Both nationally ranked courses are perfectly integrated into the breathtaking Lowcountry landscape and the country club neighborhood of Daniel Island Park.

### THE CAUSE

The Gavalas Kolanko Foundation (GKF) was established by Nicholas B. Gavalas and Dr. Ronald Kolanko in 1999.

The GKF assists students with physical disabilities with their secondary educational costs, and increases support and awareness of their needs. Since its inception, the GKF has awarded 165 scholarships and raised more than \$1 million which has benefited Lowcountry students attending the College of Charleston, Charleston Southern University, the Citadel, Trident Technical College, the Medical University of the South (MUSC), and the Art Institute of Charleston.

Proceeds from the golf tournament will directly fund future scholarships.
